Workshop Objectives:

- Examine the Quality and Safety Education for Nurses (QSEN) competencies for knowledge, skills and attitudes for development of best practices for Academic/Clinical partnerships.
- Identify regional Academic/Clinical partnership opportunities to develop and implement best practices related to QSEN competencies for pre-licensure and practicing nurses across the education and practice continuum.
- Develop an action and implementation plan to initiate Academic/Clinical partnerships focused on integrating quality safety education for nurses (QSEN) competencies to improve health outcomes and best practices for statewide and national dissemination
- Discuss strategies for presenting best practices at the Year 3 Florida QSEN Summit.

*Continuing Education: 7 Contact hours – FBN #50-1072
