

FL-AC Update

The Florida Action Coalition (FL-AC) has finalized its steering committee members as well as a preliminary list of Florida priorities and statewide needs. The FL-AC is planning a summit co-hosted with the FL Nurses Association East Central Region group. Registration will be restricted to nurses from Brevard, Lake, Flagler, Orange, Osceola, Seminole, Sumter, and Volusia counties. Final details will be released soon.

This fall, the FL-AC will also field a survey to gather input on priority issues for Florida. Please be sure to participate as your feedback is essential!

FCN Education Survey

Next month, the Center will begin fielding the annual education survey. Please be sure to be on the lookout for this important survey!

Are you a graduate nursing student or faculty member? Consider working with the Center for Nursing on projects relevant to the state and the profession. These are extremely important activities that would complement your graduate curricula, be it at the masters

level or either of the doctoral tracks, and provide great opportunities for those faculty who have identified their research or scholarly project. For more information, contact us at NurseCtr@ucf.edu.

FONE Call for Abstracts are due September 16. Visit fonexo.com for more information.
